**Thought for Contemplation**

*" From the beginning, God has been working by His Holy Spirit through human instrumentalities for the accomplishment of His purpose in behalf of the fallen race. This was manifest in the lives of the patriarchs... And in the days of the apostles He wrought mightily for His church through the agency of the Holy Spirit. The same power that sustained the patriarchs, that gave Caleb and Joshua faith and courage, and that made the work of the apostolic church effective, has upheld God's faithful children in every succeeding age." The Act of the Apostles pg. 53.1*
